

Direct Mail: Tire Mailers

Beat the tire season rush with tire themed mailers.

Let Reynolds help you get your customers get ready for spring with tire themed postcards. Encourage your customers to swap their tires out early to beat the rush by including specially timed offers on tire installation or storage. By bringing your customers in earlier, you allow your advisors to properly service customers and provide a great opportunity to recommend any additional needed service the customer's vehicle may need before spring.

• **Expert Design, Fast Production.**

Within 24 hours, our design team will create a mailer that fits your dealership's goals. The best printing technology available will be used to create professional, eye-catching mailers. You will receive a proof before it is sent and, once approved, the mailers will be produced and ready for delivery within 10 days or less.
